Dear Mr. Aradi:

I regret that the enclosed was delayed in the paper mill here. I think you will find next month's more prompt in its arrival.

Thank you for forwarding to me the sketches that you sent via Bart. Future ones along the same line should be as comprehensive as you can make them, as we are always worrying about an absence of, rather than a surplus of, information.

I hope things are going well with you and that you soon will find yourself happily settled with Col. T.

Martin Himler is back on the East Coast and will be getting in touch with you shortly.

Most sincerely,
